

## Class Evaluation

### Country news article summaries

1. Was the time spent looking up articles burdensome?
2. Was the process onerous in any way?
3. Did you like sticking to one country/region throughout the course or would you have preferred to vary?
4. Did you feel doing weekly news article summaries was a good learning experience or a waste of time?
5. Would you have liked to spend more time going over student summaries in class?
6. Did you read other students' summaries: often sometimes never

### Readings

1. Did you do most of the readings?
2. Which ones did you find most interesting?
3. What was about the right length for you to feel that you learned something without feeling overburdened?

### Papers

1. Would you have preferred to do more papers? Fewer?
2. Could the assignments have been made clearer? How?
3. Did you feel the grading was fair?
4. Did you learn something from doing the papers?

### Lessons

1. Did you feel you generally learned something from lessons?
2. What lessons worked best for your learning?
3. What lessons did you most enjoy? Least?

4. What would you recommend I do to improve lessons?
5. Were class discussions run well? Suggestions for improvement?

### **Class Topics**

1. I feel like the class was a little overloaded on topics. Would you agree or disagree?
2. Are there topics you would have liked to spend more time on/go more in depth with?
3. What topics do you think the class could do without?
4. Do you feel that the class had good continuity, that the parts added up to a coherent whole? Or did it give the impression of being scattershot?
5. What about the sequence?

### **Administration**

1. Did you have problems accessing the readings?
2. Did you feel you had adequate access to me as an instructor and got good results from communicating with me?
3. Did I communicate enough with the class? Too much?

### **Grades**

1. Were grades provided in a timely enough fashion?
2. Did you feel that the grading scheme provided a good reflection of class goals? If not, how would you rearrange the grading?
3. Did you feel that the grading results provided a good reflection of student effort and achievement?

### **Overall results**

1. Do you feel you know more now about global civilization than at the beginning of the semester?
2. Do you feel better able to interpret current events and news?
3. Was this class a good use of your time as a student?
4. Did you have expectations for this class that were met or not met?
